***These beginner classes will do both tap and jazz dances in the 2nd half of the morning show (to cut down on the amount of time they need to be there). All other classes will perform once both halves.	All classes will perform in the ballet production, and either in the morning or evening show. Look under the morning show or evening show heading to see which show your child will perform. Please stay until the end of the ballet for the trophy presentation. (Every one gets one!)	***These beginner classes will do both tap and jazz dances in the 1st half of the evening show (to cut down on the amount of time they need to be there). All other classes will perform once both halves.
